# £400 off a NEW 'A' Rated Gas Boiler

**Home owner or private tenant?  
Over 60 or have a child under 16?  
Is your boiler 15 years old or more?**

**You should be entitled to a £400 voucher  
towards a brand new 'A' rated boiler as part of  
our 'E' to 'G' Rated Boiler Scrappage Scheme.**

## **The benefits of a new boiler**

- ✓ Savings of up to £260 a year on your heating bills
- ✓ A warmer, healthier more comfortable home
- ✓ Reduction in home carbon emissions

**0115 985 3009**

## Qualifying Areas

To qualify the household must be within Nottingham City and Boroughs of; Gedling, Rushcliffe & Broxtowe.

Simply call the Healthy Housing Service on **0115 985 3009** and we will check whether you qualify.

## How will payment of the £400 be made?

You will need to pay for the new boiler and installation upfront and then claim back the £400 from us. To release the funds we will require the original boiler voucher that will be issued to you by the installer. Payment will then be given via BACs within 25 working days to your bank account.

## The small print

Terms and conditions apply. Only customers who meet the eligibility requirements shall qualify for the offer. Offer only applies to boiler measures recommended by an appointed surveyor and is subject to survey. Offer only applicable to residential properties. The offer is subject to availability and subject to change or withdrawal at any time.

## You are in professional hands

The Healthy Housing Service is part funded by Public Health and the Queen's Award winning charity Nottingham Energy Partnership. Together they aim to ensure that households that are most vulnerable to health risks caused by living in a cold or damp house receive help to improve their home.
